SOUVENIRS

Preface

It is strange how it seems like only yesterday that we stood before the portals of Lindblom ready and eager to ascend the most beautiful and rhythmic scale of all, that of Lindblom High School. At last we have completed our ascent. We started as lowly Freshies and rose to be lofty Seniors, and now it is time for us to depart. As we leave we shall take a part of Lindblom with us—memories of days gone by—and wonderful memories they are too, memories of glorious sports events when we cheered on the team, whether in victory or defeat, of assemblies which came just in the nick of time because we just didn't have time to study for that test, of the homework that was given to help us gain a fraction of the world's knowledge, of the clubs and other activities in which we strove and worked, and last, the wonderful teachers who stood by and urged us on when the going got a little tough. Now as we look back we know that what has formed beautiful memories for us has also helped us become better citizens of the world. We shall truly always remember and cherish you, oh Lindblom . . . "THROUGH THE YEARS" . . .

DAY 

ATTENDANCE
OFFICE

Mr. Harry F. Yates

Musically speaking, Mr. Yates, principal of Lindblom, is the conductor of a magnificent orchestra made up of many harmonious Lindblomites. Like other renowned conductors, Mr. Yates is a symbol of leadership to all who have ever known or know of him. Since 1943 it has been through his sincere enthusiasm and wholehearted interest in each student that Lindblom has risen to greater and greater heights. Now there is no more for us to say except "Thanks. You are always in our hearts."

Miss Varian Shea

Miss Varian Shea, superintendent of High School District Four, is well known to most of us here in Lindblom. Since her appointment 2½ years ago, there has been a continual increase in the number of her friends as students and faculty have come to know her better. Lindblom is happy to count Miss Shea as a friend.

Lindblom's Tribute of Love

Clear against the sun-set heaven,
In the hope-filled west,
Rise thy stately walls, O Lindblom,
Halls with beauty blessed,
Born of love thy valiant spirit,
Purged with flaming truth,
Consecrating to man's service
Sturdy, eager youth.

Shrouded in the shades of ev'ning,
Touched with morning light,
Proudly stands thy royal eagle,
Wings wide-spread for flight;
Symbol bold of steadfast courage,
Of enduring might!
So thy Sons go forth vanquish
In the strength of right.

Final Refrain

Gladly lift we now our voices
Thy dear name to sing;
To thy shrine of truth and beauty
Loving tribute bring.

English Department

The English department under the direction of Miss Garrity has enabled many Lindblom students to understand the complexities of our language. It also introduces them to the best in literature. The speech classes help students to plan assemblies and meetings, and to gain confidence in themselves while performing before an audience.

Why do leaves fall off the trees with the approach of winter? Why do objects fall down instead of up? These and many more interesting problems are solved every day by our "Junior Scientists." The teachers make these problems easier to solve with the aid of a complete line of equipment and books.

Science Department

Social Science Department

In any of our Social Science classes, which include civics, history, and geography, our students gain a basic knowledge of people and their mode of living. The members of the department guide the students toward the better fulfillment of their roles as citizens.

Commercial Department

Students take the commercial course usually if they intend to enter the business world. Typing and stenography are only two of the classes offered to help students gain speed and accuracy in any office chore they may encounter.

Mathematics Department

There are many different phases of mathematics which are taught within the walls of Lindblom. Essential math, algebra, advanced algebra, geometry, solid geometry, and trigonometry are all offered here. Since mathematics is the basis of several fields, many students pursue advanced study after they have completed the required two years. The department is headed by Mr. Williams.

Technical Department

Through the helpful guidance of skilled instructors, the boys in the technical department leave Lindblom with a thorough understanding of the subject which they have taken. There are numerous shops in which boys may learn a trade. Among them are the wood shop, print shop, machine shop, and the foundry. In addition to these classes there are architectural and mechanical drawing classes.

Music Department

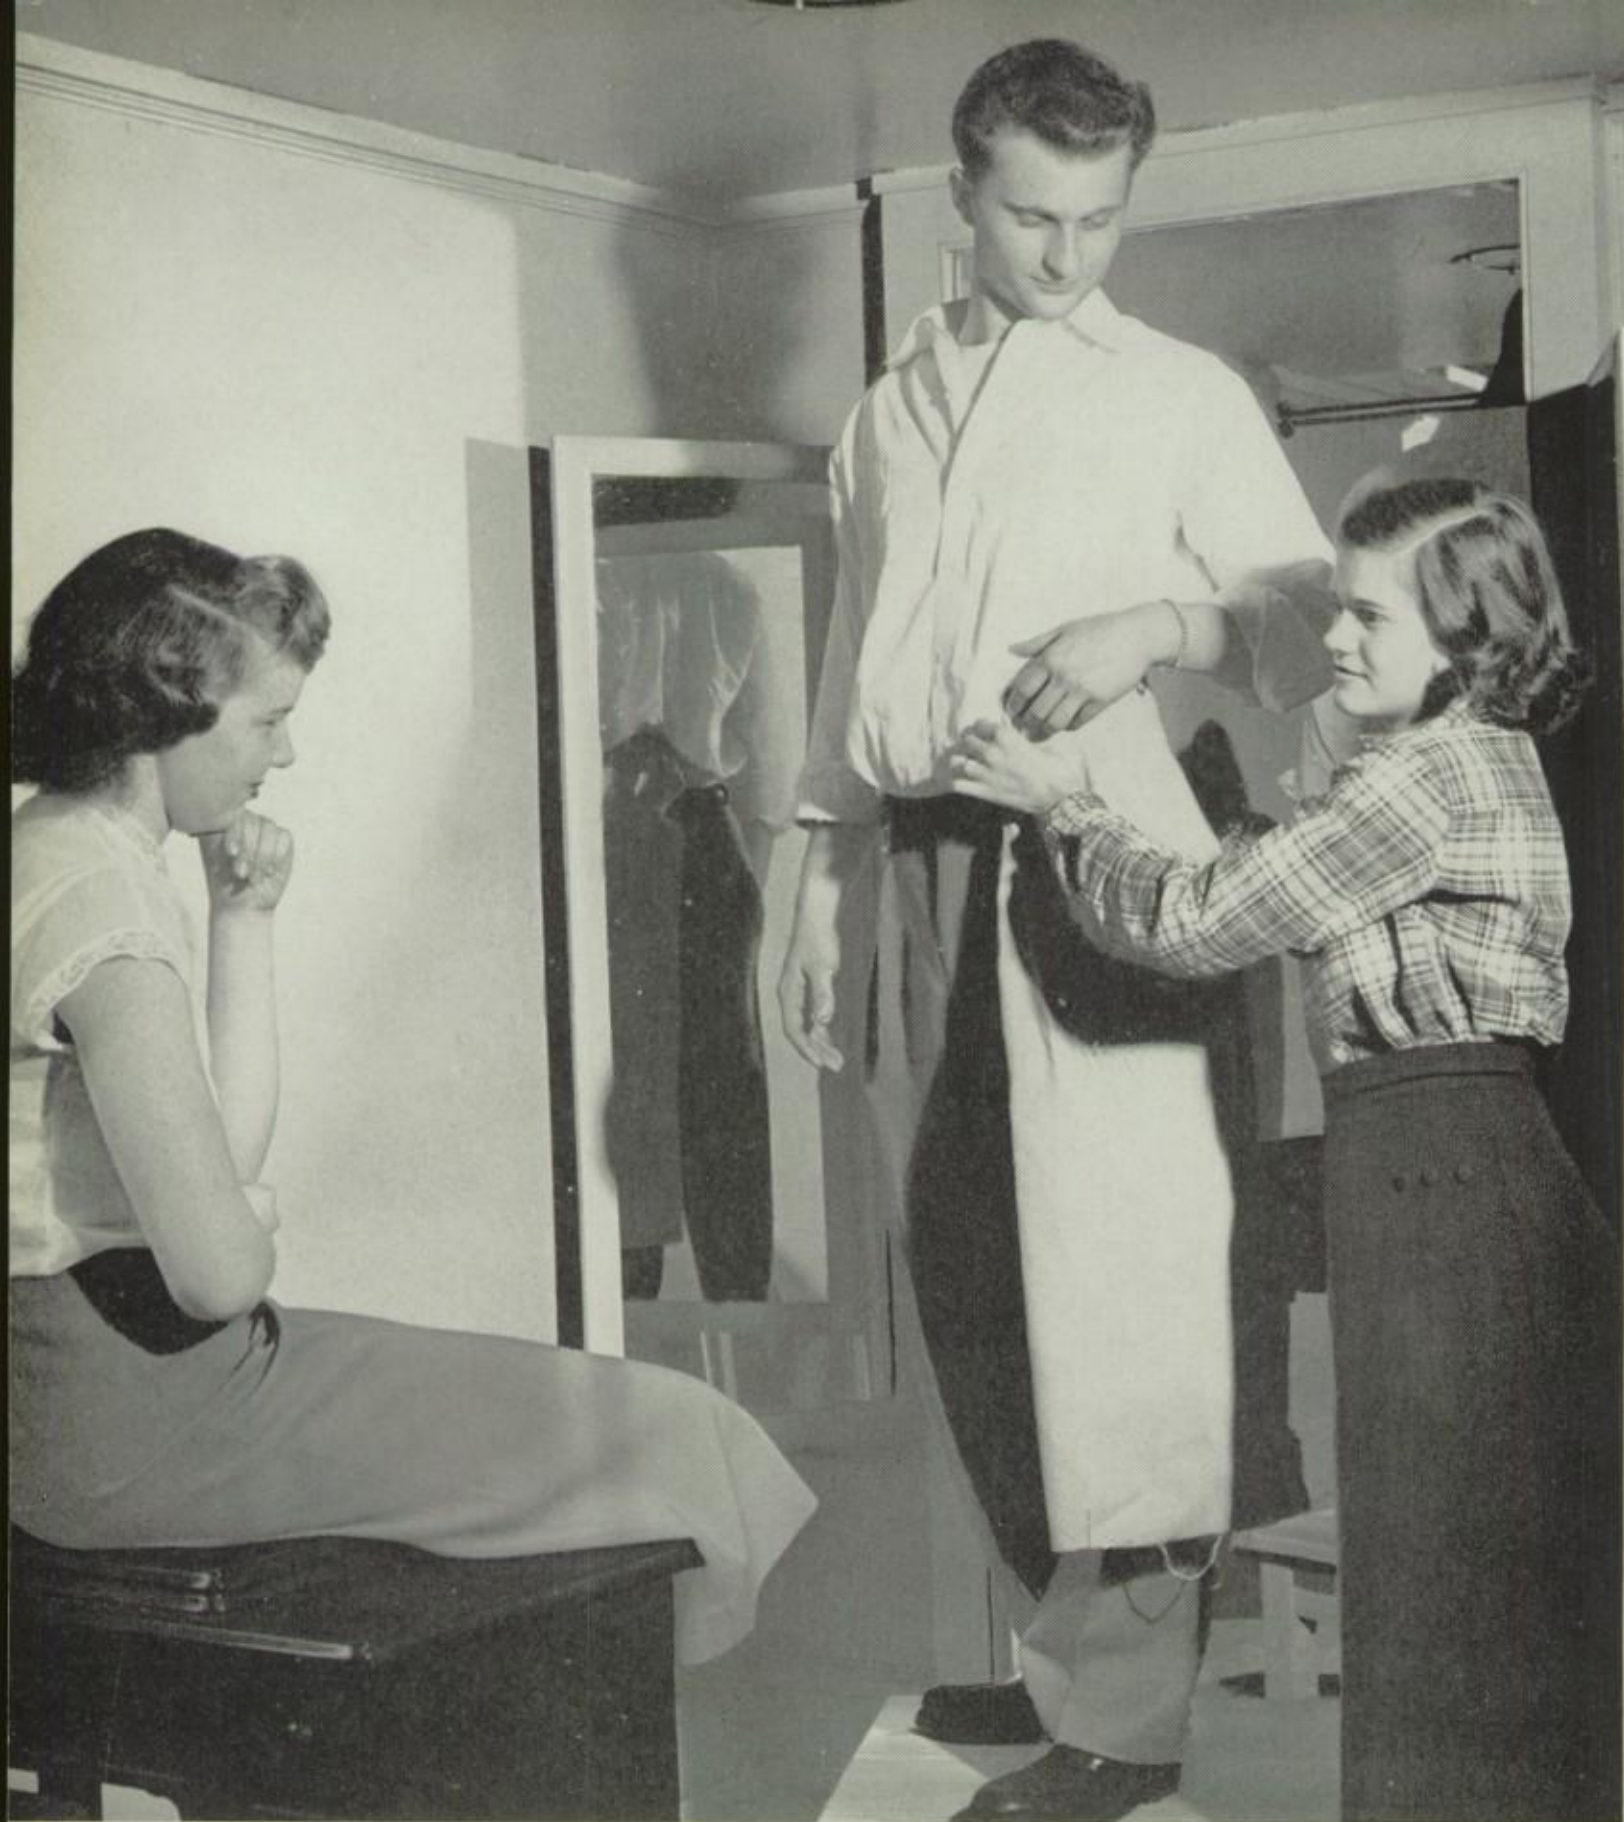

Besides the fundamentals of music, the students are also taught music appreciation. One year of this subject is all that is required, but many students continue their study of music to achieve perfection. It is indeed a pleasure to learn when the instructors are such persons as Miss Johnson, Mr. Lyngby, Mr. Congreve or Mr. Pence.

Language Department

There are three language classes offered to the boys and girls of Lindblom. The first is Latin, which many of our students find so enjoyable. Next is French, that language many of us are learning for "that trip to Pareé." Then, last but not least, comes Spanish, the language of the matadors and pretty señoritas. This knowledge will be valuable in later years, as it is a wise person who knows how to live with his United Nation neighbors.

Home Arts Department

Every girl that is in one of our cooking or sewing classes gets an invaluable guarantee of knowing the correct table manners at home or while visiting, "the way to cook like mother does," and how to sew and make clothes that are in the latest mode. Lindblom is proud of these girls, who will be America's future housewives and mothers.

Art Department

In the art department students are taught the blending of colors and the fundamentals of figure drawing. Very often after students have completed the required year they decide to continue on in the major art classes. The advanced art classes in figure drawing and advertising art are taught by Mr. Schmitt, who is the head of the department.

Faculty - G. A. A. Volleyball Game

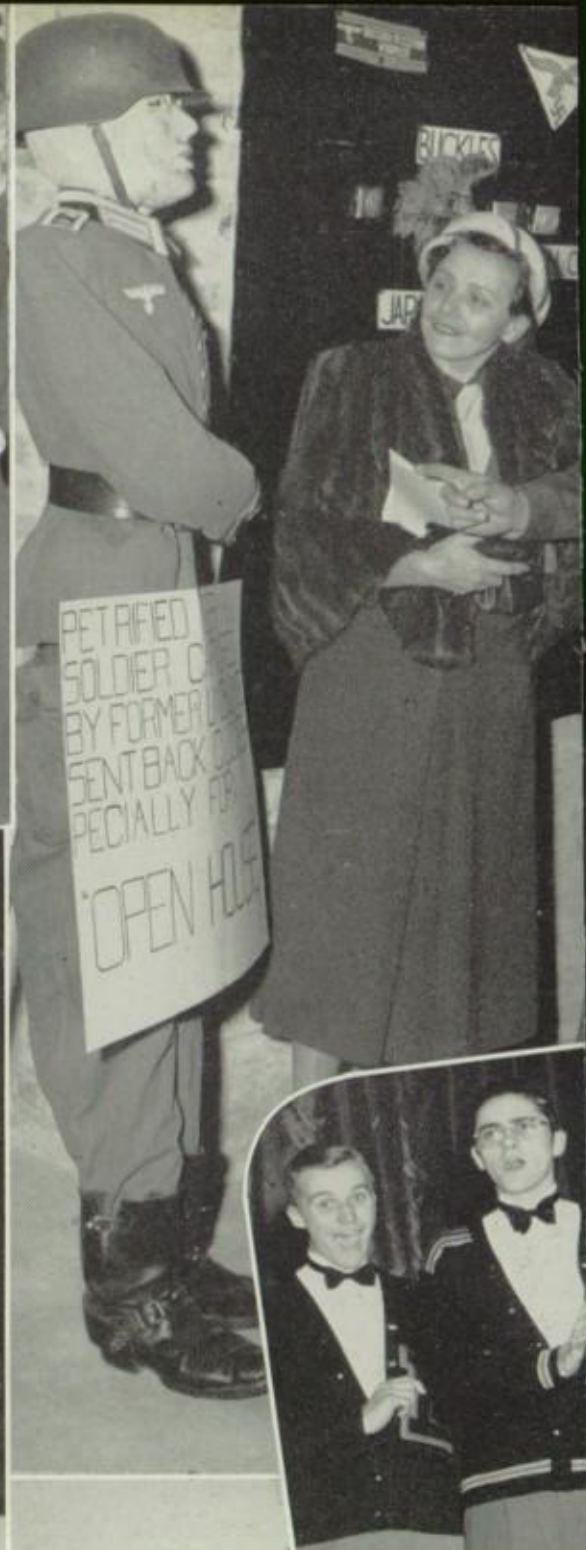

One of the highlights of the 1950-51 school year was the Faculty-G.A.A. volleyball game. Antics such as this certainly emphasize the fine sense of humor and sportsmanship which make up the faculty-student relationship.

Remember . . .

Do any of these scenes remind you of the happenings that you might have encountered during a day at Lindblom? At times have you just "drooled" over that super coach, or when you had to make that phone call was a certain someone monopolizing the phone booth? Remember the day you pleaded for that S E or F? Remember the day you couldn't find your English book, but the boy in the next locker was kind enough to offer his services as a stepping stone; or remember the day when that horrible usher broke up that interesting conversation between you and your best girl while at an assembly. Yes, these things have all come and gone, but they will always be ours to "Remember."

Open House

A very gala fete at Lindblom this year was the Open House, an event which has not occurred for several years. Thousands of guests jammed the auditorium and classrooms. In the auditorium, after hearing interesting speeches from guest speakers, they observed performances put on by members of the Gymnastic Team, A Cappella Choir, Girls' Chorus, R.O.T.C. and various departments. Each class-room was open for inspection. In the shops, art, and cooking classes the boys and girls displayed their skill to the guests; the science classes with their skeletons and preserved specimens proved interesting to onlookers. The R.O.T.C. exhibit and its foreign soldier was educational as well as amusing. The Eagle and Weekly too, proudly displayed their work. It was a vivid and stimulating occasion to visitors and participants.

The boys that are well liked by their classmates and teachers, have better than average grades, and take an active interest in school affairs are those of the Senior Boys Council. One of the greatest desires of a Lindblom student is to become a member of this group of "Stout Hearted Men." Under the friendly guidance of Mr. Janousek the councilors perform feats of gentlemen, and various duties for the betterment of Lindblom.

To attain a Golden Eagle a student must earn ten points through scholastic proficiency, service to the school, athletic accomplishments, or participation in extra curricular activities, or a combination of those just mentioned. At the achievement assembly, Mr. Palmer, the originator of this award, presents a Golden Eagle to each worthy student who has met the requirements.

The fact that the Latin Club is both an entertaining and a helpful element in schoolwork is well known by its members. Under the guidance of Miss Hogan it furnishes an added interest in Latin and an added zest to classwork which would be lacking without this organization. Then, too, at their informal gatherings, students are able to get acquainted with each other and thus form long-lasting friendships.

Cuanta Le Gusta

The aim of "El Circulo Espanol", Lindblom's Spanish club, is to become better acquainted with the background and lives of the people of Spanish speaking countries. The students acquire a knowledge of the ways and customs of the Spaniards by giving Spanish plays and singing Spanish songs. Miss Ryan, head of the language department, offers her much welcomed advice to the members of "The Spanish Circle" whenever necessary.

That's My Desire

Membership in the Senior Girls' Council means to twenty-four of Lindblom's most capable girls not only the pride and joy of belonging to this select circle, but a cheerful willingness to serve at all times.

During each girl's reign as a councillor, she offers her services in caring for the Social Room equipment and assisting at teas for special occasions.

Since all of the girls are seniors, they are looked upon as leaders, and are influences to younger girls in the spirit of good fellowship and cultural development.

Under the leadership of Mrs. Rule, their sponsor, the Senior Girls' Council is known as one of the finest organizations of the school.

Fascinating Rhythm

The Girls' Chorus, directed and inspired by Miss Johnson, was rated as the best in the city in last year's choral competition. Through long and hard practice they attained the exact tone quality and accurate timing which is needed for an "S" rating. The Chorus also has added much to make many of Lindblom's assemblies long remembered.

MR. EUGENE PENCE

With A Song in My Heart

Music is the fourth greatest material want. Here at Lindblom the A Capella Choir supplies this need very successfully. Under the direction of Mr. Pence, the choir also offers Lindblom students an excellent opportunity for work in vocal harmony as well as serving as the yardstick by which many people measure Lindblom. Through its many appearances before civic bodies and at church services, the choir has given our school an enviable reputation.

Artistry in Rhythm

The Lindblom Madrigals is a group of selected voices from the A Capella Choir. This group fills the demand for a small, talented group. The Madrigals, along with the Choir, is now under the direction of Mr. Pence because of the induction of Mr. Congreve into the Army. These singers appear at many places where there are not accommodations for a full choir. To become a Madrigal is the constant aim of every choir member. The glory of the Madrigals may be seen by glancing at the numerous plaques on the auditorium walls which they have helped to acquire.

Music Maestro Please

Some day, perhaps in the near future, many of the striving young musicians of the Concert Orchestra will be among the talented artists whom you will hear and see much of. The orchestra furnishes beautiful music for our spring productions and many assemblies throughout the year. Although much hard work is put into their practice, they take great pleasure in playing their instruments because they know that others will enjoy hearing them play the beautiful compositions which only our Mr. Lyngby could direct so excellently.

Played On

He's down to the ten— to the five— and he's over! What happens then? Why of course the stands rise and sing the Lindblom Loyalty March to the music of Mr. Christian Lyngby's band. Rain or shine they are always present, nor do they perform only at football games. The school counts on the band for overtures and marches at many school productions and assemblies. The realization of work well-done and the tangible reward of the coveted lyre give value and meaning to the performances of the band.

It's A Long Story

The amount of time and effort that is spent in producing a school newspaper for a school the size of Lindblom often is not appreciated by the student body. Few persons realize the vast amount of important work necessary to accomplish the set goals of this school organ. It is readily seen that the Weekly forms a distinctly vital and desirable part of Lindblom's life.

Well What Do You Know

In order to organize the immense mass of material, efficient editors are essential. This work is supervised by the Editor-in-Chief and his assistants. These in turn are responsible for compiling articles, correcting them and editing them. A great amount of work falls on the shoulders of the photographers and cartoonists who try to make the paper pleasing to the eye. The newspaper's sponsor and advisor, Mrs. Matz, sees that the material used is kept up to the usual high standard of quality.

A very important part of the Eagle is the Eagle Ad Club. The students in this club are the ones who go out and sell the ads for our Eagle thus helping to make our annual bigger and better. The students also make a good profit for themselves. Mr. Blomquist is their sponsor.

The students on the dance committee spend many hours in planning and decorating the gym for Friday night social dances. This group has done much to add to the enjoyment of all who have attended the dances whether it was the Harvest Hop, the Snow Ball, or any of the many other huge dance successes.

While walking past the main entrance you probably have heard unusual voices and strange sounds coming from the assembly hall. Needless to say it is just the Dramatic Club rehearsing. This club, one of the newest at Lindblom, was originated by Mr. Jakus and is thriving very well under his superior coaching.

Ah, But It Happens

Scholarship certificates are awarded to those superior students who have attained not less than an "S" average in their major subjects, and an "E" or better in their minors. It is indeed a great honor to be awarded such a certificate. The officers are elected from the upperclassmen who are on the Honor Society. Those elected to serve the term from September to January are: Jerry Hubacek, President; Jim O'Dea, Vice President; Jean Matkovich, Secretary, and Shane Bellis, Treasurer.

To become a member of the Honor Society a student must have all "E's" in his major subjects and not less than a "G" in his minors. At the Honor Society assembly, which is held at the beginning of each semester, every member of the Honor Society is presented with a pin by which he can be identified.

One of the many aims of the students at Lindblom High School is to earn the Honor Society pin. In order to qualify for this pin a student must surpass or equal "E" in his majors and "G" in his minors. This pin is presented to the qualifying student by Mr. Yates and Mr. Palmer at a special Honor Society assembly. The pin symbolizes hard study and unlimited learning and is well appreciated by its wearer.

Under the direction of Miss Donehue, the head librarian, many Lindblom students are members of the Library Club. The members check books, deliver study hall slips, and sometimes stay after school to put books away. Belonging to the Library Club, however, is not all work. At the end of the semester a party is given to bid farewell to the graduates and honor outstanding services rendered by the remaining club members.

Dizzy Fingers

Comptometry, which takes only one semester to complete, is an aid in solving difficult problems speedily and accurately. Besides being a fascinating subject, it perfects the mathematical background for a student who desires to enter one of the professions for which mathematics is a basis. Office work is simplified with the knowledge of this subject. Miss Appleby heads this fine group.

The most talented of the artists are usually connected with the major art classes. Under the direction of Mr. Schmidt these artists prepare posters and other artistic decorations for coming events and social activities to take place here at Lindblom. Not only do the students develop their talents, but they also inspire others to appreciate art. You may see the finished product of much of their work posted in our halls.

While we sit enjoying an assembly or an entertaining stage production, there is a group of boys who give the program everything that a Broadway show has. That is the job of the Stage Crew and Light Brigade boys. Under the auspices of Mr. Johnson, the boys aim for just one goal, and that is to make every stage program a huge success.

Onward To Victory

The Lindblom Eagles finished up the 1950 season with a league record of four wins and two losses tying for third place in the Central Section while splitting two exhibition games. The team obtained this fine record only through persistence, self-sacrifice, and long dreary hours on the practice field. Frank Boulukos and Mel Allison, the two co-captains, surely deserve the highest praise for the way they led and inspired the squad throughout the season. The boys on the bench, the three managers, capably aided Coach Dutch Von Bremer to carry out and further the famous Lindblom football tradition that he has been so instrumental in forming.

Black and Blue

The soph players of today are the varsity heroes of tomorrow. With that thought in mind Lindblomites can look forward to a city championship in a few years for our Sophs went through eleven games undefeated, winning nine while tying two. The team obtained not only glory but something much more valuable, the building of both football knowledge and experience and the building of character which they will carry with them throughout life. The faithful tutoring of Coach Labant will enable the team to go on to greater heights.

The 50-51 Sharks have made a remarkable comeback after a whole year of inactivity. In the December City meet the three man medley relay team consisting of Capt. O'Brien, Nelson, and Snoreck placed third while Thiede finished fourth in diving. The squad is so determined to regain the high standing they had in '49 when the Juniors took the Central Section crown, that the members work out Monday and Wednesday nights at Fenger, in addition to their daily swimming session at Lindblom. Coach Bohor is to be commended for his fine job in putting the Sharks back in top form.

Long hours of practice and hard work is the motto of our Lindblom's Senior basketball team. They made a fine showing in the I.T.T. tournament in reaching the quarter finals and in pulling the upset of the tournament by beating a highly vaunted Marshall Quintet 66-61. Led by co-captains Jack Harrington and John Luth the seniors had a fine season.

With great determination the junior basketball team joined in battle with other contenders in the city league competition. Hard work and long hours of tedious practice seasoned a relatively green team into a potential threat to rival teams. Led by co-captains Tony Pasquinelli and Bill Welsh the juniors had a good season.

Take Me Out To The Ball Game

Baseball will always be part of Lindblom's athletic picture just as baseball will forever remain our national pastime. Win or lose, our squad shows always a good example of true Lindblom sportsmanship. Coach Janousek instructs this fine group of boys. In the past the baseball team has brought many fine honors to Lindblom so in the future whether they win a basketball championship or not, they will still be champs to Lindblom.

There I've Said It Again

Rain or shine, sleet or snow, you can depend upon the cheerleaders to be at the football or basketball games to cheer the team to victory. When the odds are against us, and we're way behind in score, the cheerleaders with their pep, and vigor, arouse enthusiasm in the spectators and players, and spark the teams on to victories.

Practice Makes Perfect

Every Tuesday and Wednesday a certain species of life at Lindblom, sometimes referred to as bowlers, trudge through all types of weather to release pent-up energy by hurling a sleek black sphere down a long and narrow wooden strip. These leaguers bowl purely for recreation and love of the sport. Under the new sponsor, Mr. Smith, bowling is fast becoming one of Lindblom's favorite sports.

My Hero

Under the splendid leadership and guidance of Sergeants Natale and Wilson, the R. O. T. C. functions well as a unit of our "standing army." Excellent training for the future guardians of our republic is passed on to the boys by their leaders. Striving for success, the boys work very hard, and as a result have risen to heights in our city unsurpassed by other schools. Hats off to all the boys in our R. O. T. C.

It is the ambition of every athletic girl to wear a blue jacket. These girls excel not only in sportsmanship but also in scholarship. They lead different classes which enable the girls to gain their points for that much desired "L". Besides this they have various other activities such as making scrapbooks for hospitals, fixing baskets at Thanksgiving, and do many other deeds to make someone's life more enjoyable.

The squads in the Team Games classes compete with each other in the seasonal games, and the members of the winning team at the end of each semester are awarded bars. These bars help the girls toward their letters or chevrons. Anyone earning a bar surely has reason to be proud.

A Little Birdie Told Me

Another of the many interesting classes in the gym is badminton. Whether it be an easy drop shot or a powerful smash, this game requires a great deal of skill, a skill which is developed in the beginner and advanced classes. Sponsoring this organization is Miss Hackenbrock.

One of the most popular sports at Lindblom is fencing, and it is enjoyed by all who participate in it. Two G.A.A. Board members are chosen to instruct the classes. Each semester, after the techniques of handling a foil are mastered, tournaments are held, with the two best fencers receiving bars.

Cool Water

After being closed for a year the swimming pool is once again being used by the swim leaders and the regular swim classes. The swim leaders, under the guidance of Miss Hackenbroch, assist the gym teachers in instructing students in swimming fundamentals. They also work for dolphins and life saving awards.

Lindblom's Loyalty March

Lindblom High, we're loyal to you;

To us you're ever dear.

Our Eagles will win ev'ry time we sing

So for you we give this cheer—Rah, rah, rah.

Fame and glory we will bring

With honor, steadfast, true;

We stand behind you our Maroon and Gold,

And we'll ever fight for you.

L-I-H-S Hold that line;

Come on, team,

You're doing fine—Yea!

Lindblom High, we're loyal to you;

To us you're ever dear.

Our Eagles will win ev'ry time we sing

So for you we give this cheer—Rah, rah, rah.

Fame and glory we will bring

With honor, steadfast, true;

We stand behind you our Maroon and Gold,

And we'll ever fight for you.

Pep's Diary . . .

- JANUARY 26.....Three and one half years are over. We're 4A's at last!
- JANUARY 29.....The semester has officially begun; JIM O'BRIEN can be heard singing hillbilly songs from one end of the school to the other.
- JANUARY 30.....It's 15 degrees below zero. This invigorating weather brings out the colorful complexion on EVELYN MEYER, CARYL WATSON, and NORMA CUNNEA—Blue!
- FEBRUARY 1.....RON CARLSON sends in his annual subscription to Hopalong Cassidy Comics.
- FEBRUARY 2.....JOAN EGAN is embarrassed at the Freshie Induction Assembly. DORA RYAN sympathizes with her as Joan's and DAN HUNT'S robes got mixed. The result—two red faces!
- FEBRUARY 3.....RAYMOND VOROS is the new President of the Honor Society. Congratulations!
- FEBRUARY 5.....HAL LINDGREN, JOHN CAPEK, VIRGINIA BENNETT, MARILYN CISZEWSKI, and JIM BABB are already hounding us to put their names in Pep's Diary. What could we do . . . They carried squirt guns . . .
- FEBRUARY 9.....HOWIE JOHNSON and RUTH KRESS; co-chairmen of the Dance Committee, are weeping; the Social Dance has been called off—no coal!
- FEBRUARY 12.....Thanks to Abraham Lincoln for emancipating us today.
- FEBRUARY 14.....NANCY FIEDLER and JACK WILLIAMS sure make a cute valentine. We like that ring too Nan!
- FEBRUARY 16.....Coach Von Bremer's division leads in class dues collected.
- FEBRUARY 19.....Our deepest sympathy to DOROTHY RATKOW. Tony left for a visit with Uncle Sam today.
- FEBRUARY 21.....A feeling of gratitude is felt by all Lindblomites who witnessed the Brotherhood Assembly.
- FEBRUARY 26.....The last week of the first marking period starts. FRED ELLEN and RON SCHMIDT bribe Mr. Kaplan with an apple.
- FEBRUARY 28.....DALE REMLE and CAROL WERNER are seen walking down the hall with their arms and legs draped dramatically around their necks. Is that what proficiency does to you kids?
- MARCH 1.....The Weeklys came out today. ELLEN SHUGAN wonders if we should start a scrap paper drive!
- MARCH 5.....KAY HANNIGAN, JOE MULAY, and ART BOYCE, members of the Skating Team, slipped and fell on the ice on their way to school.
- MARCH 6.....Report book day. JIM SHIELDS and NORM TRESSLER are humming "Stormy Weather."
- MARCH 8....."Hi," said DAN BARNES as he leaped out of his locker at DOLORES McNEFF. Boy meets girl.
- MARCH 9.....Only 91 more days until the prom. No wonder GEORGIA WOOD and DONNA MURPHY are giving away their phone numbers and BARBARA VAN and KAY PRODAN set a bear trap outside the boy's gym.
- MARCH 12.....BARB ADAMEC—"How can you keep eating in the lunch room every day?"
KEN McLEAN—"Oh, I just take a tablespoon of Drano at 11 o'clock."
- MARCH 16.....R.O.T.C. night. Sergeant Natalie's boys give a fine show.
- MARCH 17.....DAVE and BOB SYPNIEWSKI, and ANASTASIA POWARZYNSKI celebrate St. Patrick's Day by passing out shamrocks.
- MARCH 19.....Pep's Diary still isn't finished. JANICE GLASER and REGINA SCHIED firmly resolve to finish it by the time the EAGLES come out.
- MARCH 21.....NANCY MILCHRIST broke another thistle tube. Mr. Ostrow, King of the Khem Lab is taking a course in bookkeeping so he can keep his accounts straight.
- MARCH 22.....Flash . . . PHIL BONACERA and BERNICE CLARK didn't disagree with Mrs. Rule in English today.
- MARCH 26.....KAY GIBBONS runs out of statements. No one will pay their Weekly bills.
- MARCH 28.....Preview of Jack Wynn's Magician Show. MONTE SCHAEFFER, LOUIS ELLIOPOLIS, and JERRY SLUSARCZYK are ready to stump the magician with their tricks. Hmmm . . .
- APRIL 2.....Health check-up. LOIS FORTNEY, PAT ANNICKS, PAT MANOW, and WILMA SCHARF find themselves physically fit.
- APRIL 4.....G.A.A. Party. PAM DAILY and GERRY KAROLCIK snicker as they get out the door with ten pieces of candy.

Pep's Diary . . .

- APRIL 6.....Traffic lights burn out on 63rd Street. JOYCE FRIEND and RITA DOHERTY help out the city by passing as stop-lights with their red hair.
- APRIL 9.....Philosophers TONY PASQUINELLI and CHUCK VOLTZ say, "Women blush not in reflection of what has happened, but in rosy anticipation of what may."
- APRIL 12.....When the fire alarm bell rang, WALTER REPP, "BEEF" PLOCIENNIK, JIM HOUSER, and JACK HARRINGTON departed joyfully. But, they failed to return. A thorough search found them to be 4 blocks away from school. They were waiting for the all-clear bell, so they said.
- APRIL 13.....RAY KABAKER plays "Deep Purple" and fifteen girls are carried out on cots. Sigh . . .
- APRIL 16.....PAT SAKALES and CHARLENE LEISE bring their daily supply of carrots. That last Bugs Bunny cartoon must have been too much for them.
- APRIL 19.....NANCY MCGINN forgets to take the pins out of her hair and wins a prize for most looking like a chenille bedspread in the rain.
- APRIL 23.....A whole week of vacation. SYLVIA COZZELLO, JOELLEN LANGE, and MARCIA RAF-FEL say they are going to spend the whole week catching up on back homework. Ho, ho, that's rich!
- APRIL 30.....School reopens. CARL STREET says, "Holidays may come, and holidays may go, but Mondays will go on forever."
- MAY 1.....The EAGLE comes out today. Quote the 1951 EAGLE STAFF, "It's terrific!"
- MAY 3.....JUDY DEEDS rushed to the phone in the Eagle Office to answer her certain someone's call and accidentally tripped over the phone wire, thus ripping it from the wall.
- MAY 7.....JEANNE KERN fell asleep in English. NOREEN CONNERY woke her up five periods later.
- MAY 9.....FRANK BOULUKAS hands in civics outline to Miss Groves due February 28.
- MAY 12.....Today is Bow Day. ELEANOR KAHN brings her beau to school.
- MAY 15.....Report books are out. RON ROSEN, DALE SHONROCK, and SAM BRUNO have made a neat pile of their chewed finger nails.
- MAY 18.....MILLIE VINCENT gives up her banana to DONNA TALLEY in payment for last week's civic's outline.
- MAY 21....."BUNNY" JOCKENS wonders how she will ever be able to give up television for college.
- MAY 23.....DON HUNTER, HANK TAMS, GEORGE JOHANEK, JOAN MATHEWSON, RALPH BROWN, and MICKEY HUGELET are tuning up for the Spring Festival.
- MAY 25.....Overcome by this beautiful spring day, RON MELODY leaps out of a second story window.
- MAY 29.....Many tears are spilled at the Memorial Day Assembly.
- JUNE 1.....G.A.A. Assembly. JUDY REAGAN reluctantly gives up the "L" Cup.
- JUNE 5.....B.A.A. Assembly. JIM O'DEA reluctantly gives up the "L" Cup.
- JUNE 6.....Neighborhood morticians go crazy as LOUIS THIEDE, BOB HAYES, JOHN JONES, and ED MESSINA plead to borrow a tux for the Prom.
- JUNE 7.....BUD GRUNAUEER stores up on gas for Prom night. The siphon is a wonderful thing, eh Bud?
- JUNE 8.....This is the night, the night of the Prom, our Prom . . . Memories which will be cherished all the rest of our days . . . Dancing in a whirlpool of delight at the Crystal Ballroom of the Shoreland Hotel . . . This is our night.
- JUNE 13.....Only one more week to go. OWEN O'NEILL, and DON SMITH wonder if Mrs. Schuhmann's voice will last out.
- JUNE 15.....The day of the Class Sing, and as the last strains of "LINDBLOM'S TRIBUTE OF LOVE" die out, and the tear soaked handkerchiefs dry out, we all realize how wonderful Lindblom has been to us.
- JUNE 20.....Commencement, the day we have been striving for for four years. Now our day has finally arrived and we find that these four years have passed all too quickly. There'll be no more selling Freshies tickets to the elevator, going up the down stairway, cramming for stiff exams, and participating in all the activities in which we had so much fun. Yes, our four years are over, and there is no more for us to say except, farewell Lindblom; you'll always head the list "AMONG OUR SOUVENIRS."

Best Wishes
to the Class of 1951
